

The „draw on Line“ - Mode of the game is meant to be played in big open areas

The goal is to redraw an image that was shown to you at the start

The image is scaleable and random

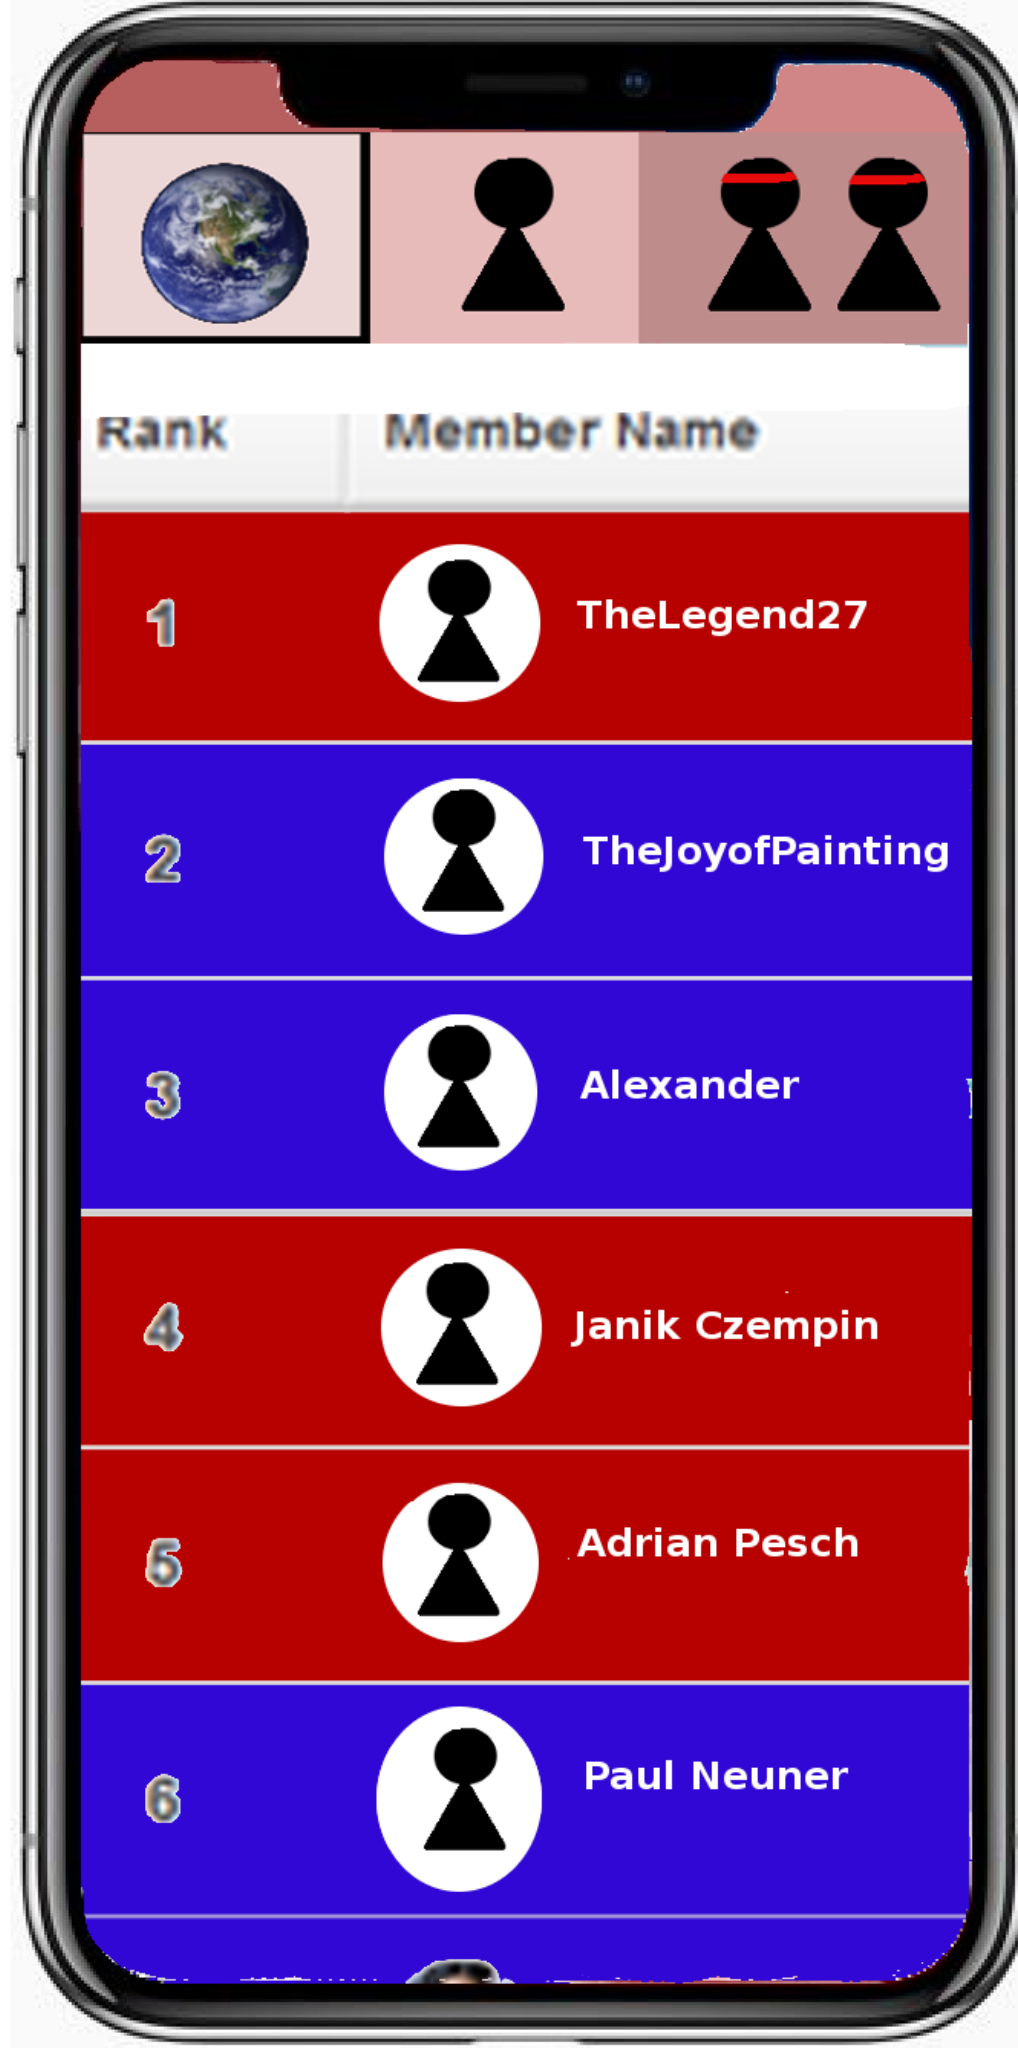

The image will disappear and you have to rely on your memory to redraw as accurate as possible

Points are earned based on Paint wasted and accuracy of the drawing

Players are placed on a Leaderboard

Here they can keep track of scores like distance traveled, points earned etc.

Scores can be compared to friends and teammates

The Leaderboard is split into 3 subsections : Solo, Group, Global

This is your friends list

You can use Facebook, Twitter or some supported social media platform to invite friends

Friends will show up on your friends list

You can see a list of all your friends on our social platform

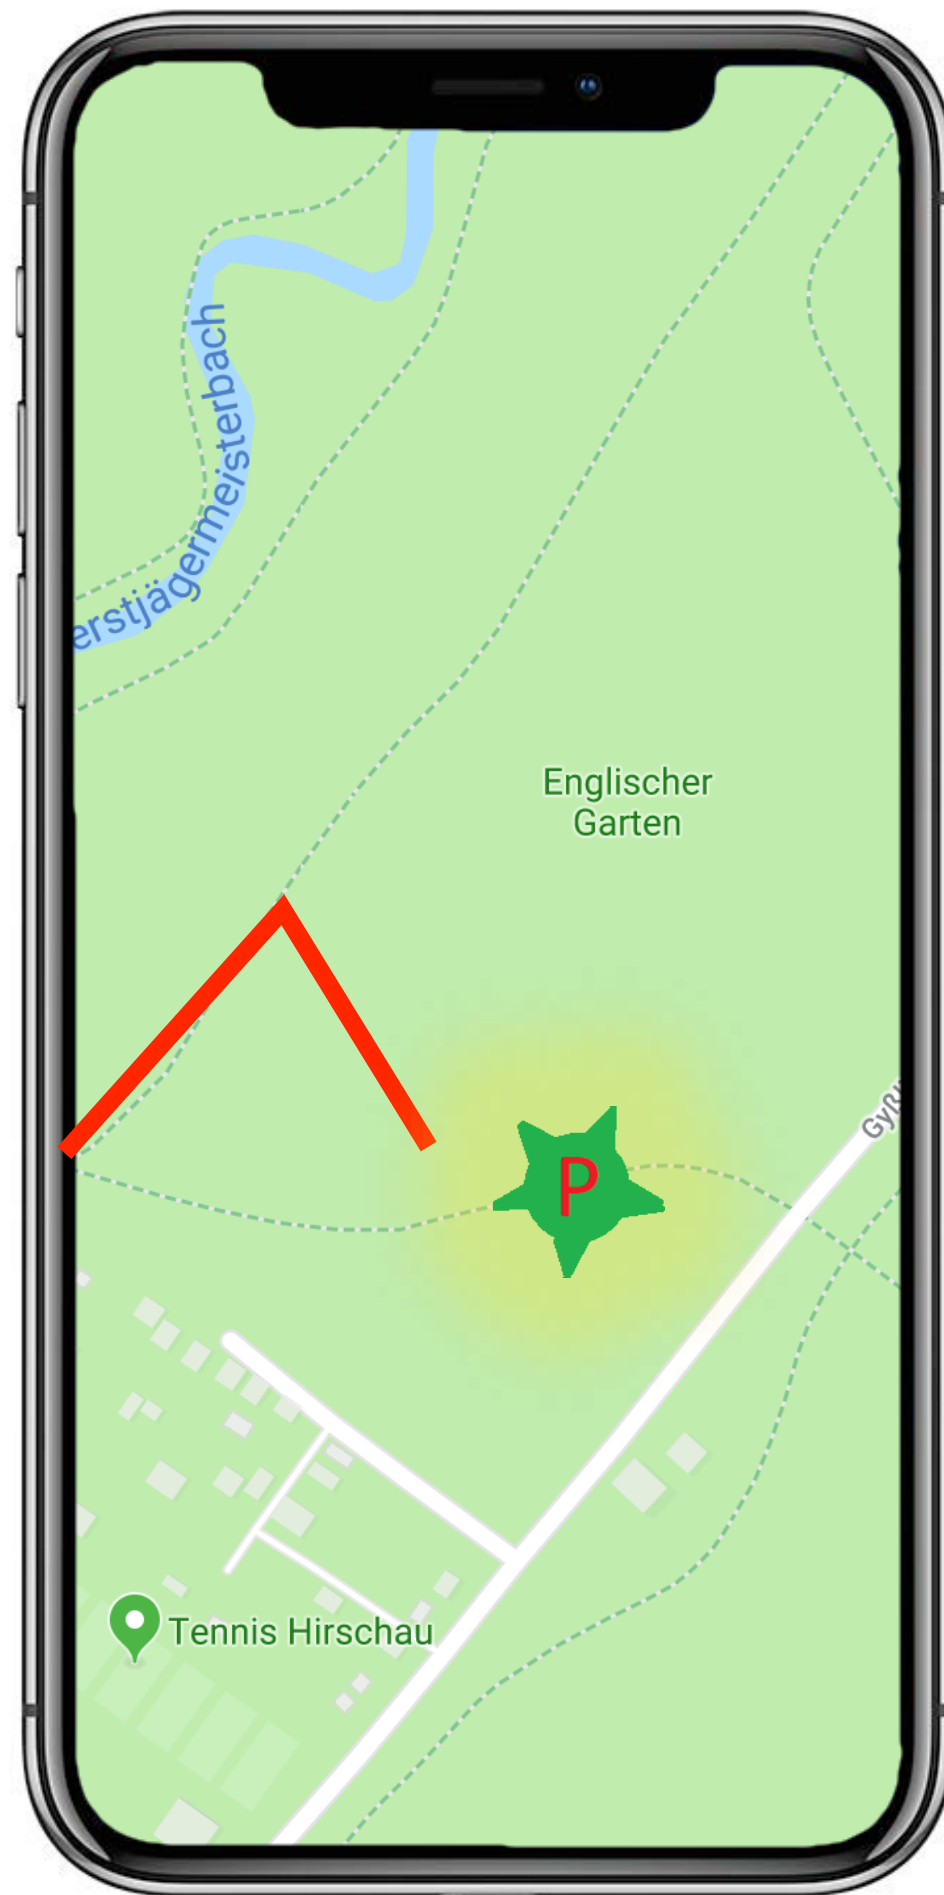

The red numbers behind other players' names indicate that you have a new message

Green-bracketed Xs indicate a play invitations

Positive Power-Ups are highlighted on the map

Once you collect it you will be told what it is

- **Examples are**
- **Brand new colors**
- **Paint brush multiplier**

You pick up the Power-Up by walking to it (in real life)

Collecting Power-Ups with friends can increase the bonus you will receive

In the casual mode, you can draw whatever you want and share it on your profile

You can draw with your friends to get multi-color pictures

You can draw anywhere on the map so you can choose the best place for your picture

**You can join
your friends
and start a
fight against
other local
teams**

**The play area is
restricted**

**The team with
the biggest area
painted wins!**

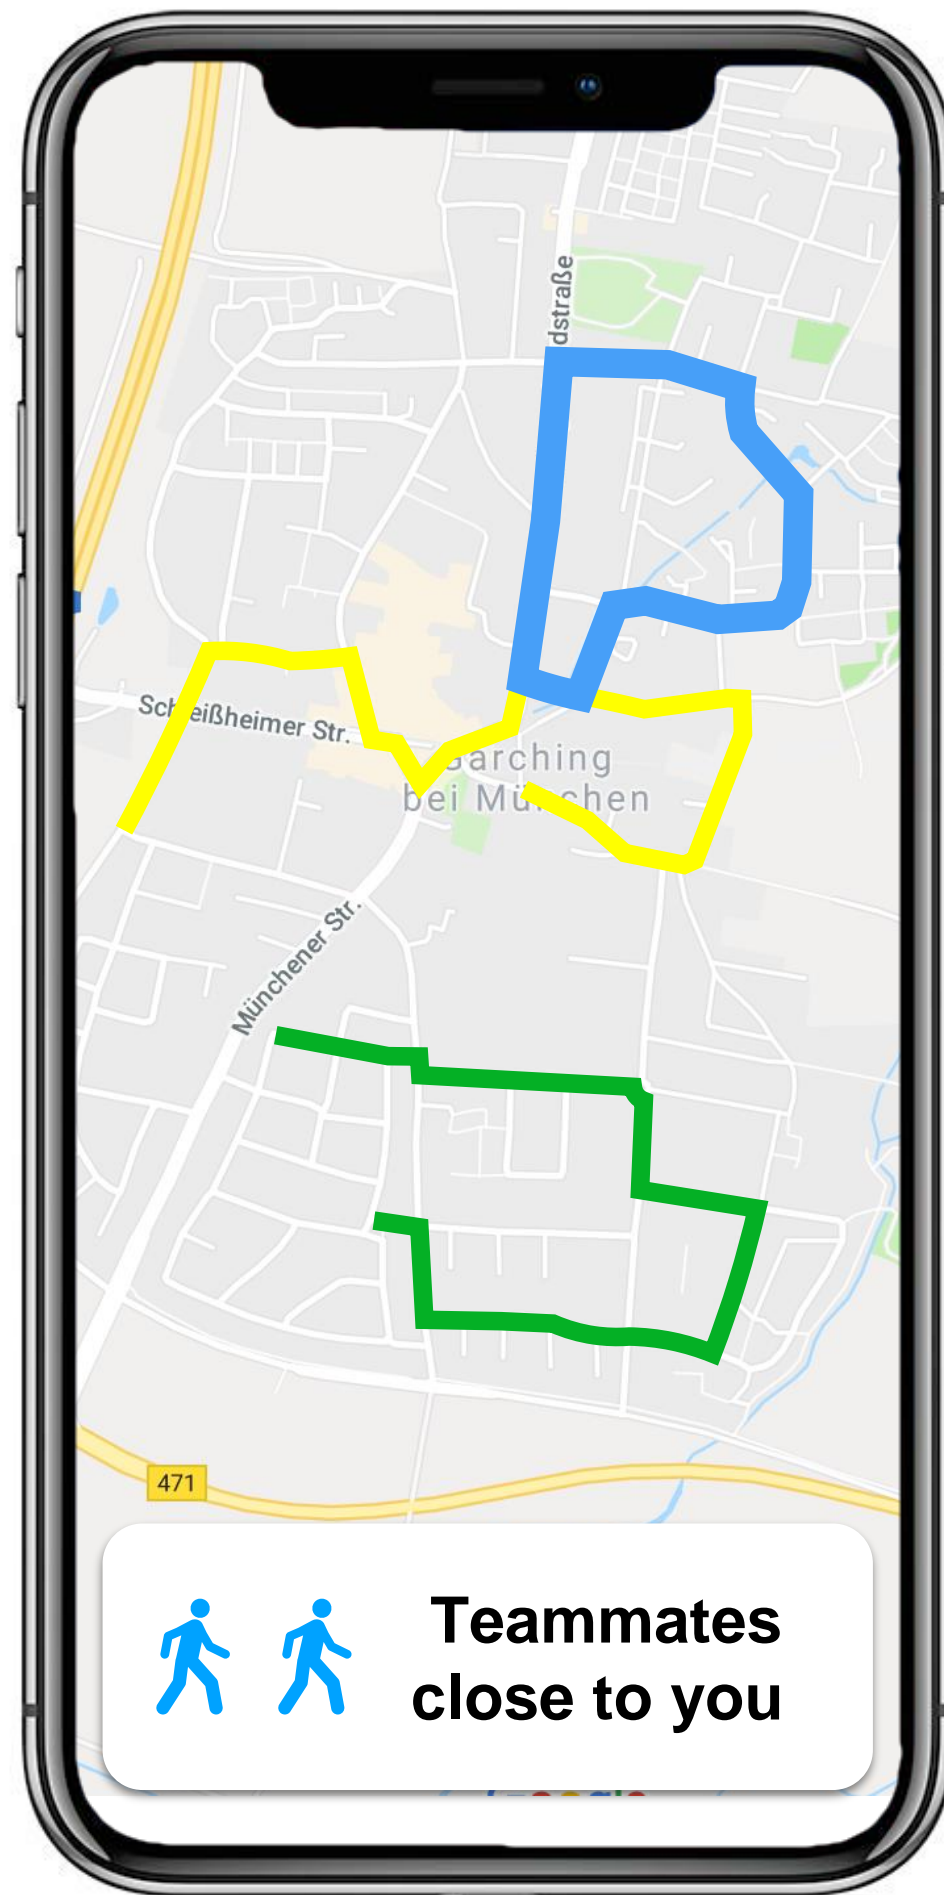

At the start of the game the player chooses one of the two global teams: either team red or team blue.

The teams compete against each other in a persistent battle.

The team with the largest area painted in its colour is the winning team.

**Walk together
with your
team, to make a
thicker and more
durable line**

**Your team gets
more points
and it's harder
for other
teams to paint
over it**

**You will need
multiple persons
to paint over the
thicker lines**

**You can earn
achievements**

**You can
showcase your
best
achievements
in your profile
and compare
them
with friends**

**Some will grant
you extra bonuses**
